

Innovative Management Consultants, LLC.

CAPABILITY STATEMENT

Innovative Management Consultants, LLC, was founded in 2010. IMC focuses on business development and management that supports human service organizations through assessment, policy and procedure development, accreditation preparation, project management, and program evaluation. IMC makes use of an agency's existing capabilities to improve organizational systems while using evidence-based best practices, which eventually results in a structure that is sustainable and results-driven.

IMC offers assistance with consultation, training, program planning, and document creation. Child welfare, mental health, juvenile justice, community task forces, public policy, local, state, and federal government agencies, non-profit and for-profit organizations, and education are just a few of the systems for which we offer services. Our team members are highly skilled and offer a superb combination of training, knowledge, and certifications. Every employee at IMC is committed to assisting organizations.
